Trustee Electoral Areas Boundary Change

The Board reviewed the feedback received from the community consultation on the proposed trustee electoral areas boundary change. Based on the feedback received, a motion was passed to move forward with work to Electoral Area E boundary.

Robert's Rules Made Simple Training

Robert's Rules of Order form the basis of how board meetings are governed and lays out the rules and practices for conducting successful meetings and making decisions as a group. The Board of Education passed a motion to engage in on-line training of Robert's Rules Made Simple.

Report from the Superintendent of Schools

The Board reviewed the report from the Superintendent of Schools. Of particular note, was the team at Lillooet Secondary School who have been working to create a school entrance that is warm, welcoming and reflective of the local culture. Below are images of the deer hide that was processed by students and used as a canvas for a painting of Seton Lake by artist Luther Brigman.

Culture Camp

On September 27th staff participated in Culture Camps which, as a result of COVID-19, were all hosted on the grounds of schools to minimize potential risk to communities. The district is grateful to the generous contributions, sharing of stories and experiences of local Elders and knowledge keepers of the St'át'imc, Nlaka'pamux, and Secwépemc people. Some of the breakout sessions included pine needle baskets making, teas/medicines, sage and smudging, and Nlaka'pamux, Secwépemtsin and Státimcets language lessons

Policy

The Board adopted revisions to the following policies:

- Policy 1.40 *Trustee Remuneration*
- Policy 2.41 *Risk Management*
