

# Welcome to the Famous Art Challenge!

What is it?

The famous art challenge has been put forth by many museums around the world as a way of engaging people with art while in isolation/quarantine.

What does it look like?

Well, people have recreated many types of art: portraits, modern works, abstract pieces. If you want to see many examples check out this Instagram account: <https://www.instagram.com/tussenkunstenquarantaine/>

How do I participate?

1. Find some art you are inspired by. This can be a portrait, or more abstract piece.
  2. Find some items in your house to 'recreate' the art.
  3. Share it out! You can post on Instagram, send it to a friend, AND send it to your teacher.
- Please send photos of your art (attach the original as well) to [jeddie@sd74.bc.ca](mailto:jeddie@sd74.bc.ca)

How do I get ideas?
