

GRAMMAR PRACTICE WEBQUEST - Mr. Ruiter

Please read the instructions below carefully!

Assignment:

- Visit webquest.org. Click on “Find Webquest” at the left of the page. Then select Search QuestGarden Search Page and type “OGT” as your search. Find the “OGT Preparation” Webquest. Click the link. If this doesn’t work, click on the link below or type it out:

- As with all webquests, follow the steps and read all directions in the order they appear. Read the Introduction first, followed by the task (which tells you what to do) the process, and the evaluation (which tells you how you are being marked.)
- **The PROCESS section tells you what to do. Follow all the links and carefully complete each activity.**
- This is an INDIVIDUAL WEBQUEST assignment. There will be no pairing or groupwork.
- Follow all instructions and each step in the correct order to successfully complete the assignments. Work through all the online quizzes.
- **Complete steps 1-5 of the PROCESS. Skip #6.**
- You are engaged with this task for the entire block. If you complete the assessment rubric early, you may find a book to read for silent reading.
- **Be sure to print off the assessment rubric in the ASSESSMENT section. This is a self-assessment—score yourself honestly. Submit this to your teacher for feedback.**
- **You can come back to individual quizzes at later times. Try to complete quizzes once you have started them. Reflect on your progress after each quiz. Remember, we often learn from mistakes.**
