## HOW TO DISAGREE

### A UNIT ON CONTROVERSIAL IDEAS - BY PODCAST AND BOOK CLUB

Because sometimes you just want to discuss ideas that have more than one answer, and no right answer. Explore ideas such as big game hunting, fringe groups, adoption protocols, and groups of people who haven't been treated fairly. As you read through your novel, we'll use Zoom to discuss ideas. You'll listen to podcasts from home in between book club meetings.

#### Language Arts

Learn to discuss ideas, listen to the ideas of other people, and transform your thinking.

#### Social Studies

Think about how power and social structure can inform people's lives.

#### What to expect:

- We will be using Zoom or another group conversation platform as a group.
- We will try and talk about big ideas in the world and link them back to our books and selves.
- You'll have to come prepared to the virtual meet ups having listened to a podcast.

## Listen! Talk!
